Dear Parent or Guardian,

Stockbridge Community Outreach is a local food pantry and crisis center located in Stockbridge at the Stockbridge Activity Center (the old middle school). We are supported by area churches, businesses, individuals, grants, and community groups. **We are happy to be able to offer our Tide Me Over program for students in Pre-K through High School** for students who qualify for free & reduced lunch for the 2021 – 2022 school year.*

The “Tide-Me-Over” program will give each student in the program a simple bag of groceries each Friday and continuing through the rest of the school year, **as long as in-person school is in session**. (Some families have chosen to pick up their child’s bag at Outreach. If you are interested in doing that, please note that in the comments below.) The bag contains items like macaroni and cheese, peanut butter, canned chicken or tuna, cereal, and canned fruit. Students will have a plastic bag delivered to the Media Center at the Jr/Sr High School, or to their locker at Heritage, or to their classroom at Smith each week.

If you are interested in participating in our “Tide-Me-Over” program, please fill out the form below and return it as soon as possible to Stockbridge Community Outreach or to your child’s school office.

Sincerely,

Jo Mayer, Outreach Board Chair

**(Please return your application for free or reduced lunches even if your child doesn’t plan on eating the school lunches. If your child qualifies for free or reduced lunches, they may also be eligible for reduced cost Community Education programs and it helps the school district apply for other grant funding.)*
