Dear Parent or Guardian,

Stockbridge Community Outreach is a local food pantry and crisis center located in Stockbridge at the Stockbridge Activity Center (the old middle school). We are supported by area churches, businesses, individuals, grants, governments, and community groups. **We are happy to be able to offer our Tide Me Over program for students in Pre-K through High School** for students who need extra food on the weekends for the 2022 – 2023 school year.

The “Tide-Me-Over” program will give each student in the program a simple bag of groceries each week starting the week of September 12 and continuing through the rest of the school year. The bag contains items like macaroni and cheese, peanut butter, canned chicken or tuna, cereal, and canned fruit. For students at Smith Elementary, bags will be delivered to their classroom each week. For students at Heritage, bags will be placed in their lockers each week. For Jr/Sr High School students and for homeschool students, bags will be available for pick up at Outreach (located off the back parking lot at the Stockbridge Activity Center (old middle school) at Cherry and Elm Streets.

If you are interested in participating in our “Tide-Me-Over” program, please fill out the form below and return it as soon as possible to Stockbridge Community Outreach by email, mail, or in person, or you can send it in to your child’s school office where an Outreach volunteer will pick it up.

Sincerely,

Jo Mayer, Outreach Board Chair
